Date of consultation: 06 August 2014

Proposal: Erection of a single storey rear extension with terrace at first floor level and erection of a rear garden wall with gate.

Comments: OBJECT NO COMMENT
OBJECTION

(Please tick as appropriate)

We object to the mfil extension and the first-floor terrace because of garden take-up and the excessive size of the extension. Although someone further down has an mfil extension, this should not be used as a precedent (DP 24.15) and it would upset the rhythm of the terrace. The rear terrace is clearly visible from Hampstead Way
