Dear Sir/Madam,

I am deeply concerned by the news that the future of Triyoga Primrose Hill is threatened. I have been visiting his provision ever since I moved to the area (St John's Wood) ten years ago, and currently attend regularly three times a week. The closure of this high profile, extremely popular and professional yoga centre with an excellent reputation and many wonderful teachers and therapists would greatly impact on the vitality of not only the immediate community, but present a big loss to neighbouring councils also, as the quality of teaching, the studio space, therapy rooms, changing areas and last not least the healthy cafe is quite unique! There are yoga and Pilates classes on offer from many different philosophies of yoga, and for all levels, including pregnancy yoga and baby massage etc, and yoga for kids. I have been very impressed with the high quality and integrity of Triyoga Primrose Hill, and am very fond of what I consider a real hub of the neighbourhood. I believe that Primrose Hill businesses (shops, restaurants etc) also profit a great deal from the public attending the centre. Please don't take it away!

PLEASE SAVE TRIYOGA PRIMROSE HILL!!!

Kind regards,
