I would like to comment on the above Planning Application at:
Rebecca Hossack Galleries, 2A Conway Street, London W1T 6BA

I live at [REDACTED] and my bedroom abuts the stairwell area leading to the roof terrace of the Gallery.

I already experience noise from this area when it is used for various functions especially during evenings. I am very concerned that these proposed works will increase the noise factor and will be quite unacceptable...

Please consider my comments and look forward to your feedback asap..

Thanking you,

Yours sincerely,
