Dear Mr Nicholls

We are the owners of [REDACTED] and wish to object to the planning application above for 90 Goldhurst Terrace for a side/rear extension. We have two reasons for our objection:

1. There has been evidence of recent movement under the property (88 and 90 are part of same building) and we would have major concerns that any significant building work would exacerbate this issue.
2. This is a conservation area and we are very concerned that the extension would have a negative impact on the appearance and outlook at the rear of the property, which would be at odds with conservation policies.

As we understand that we were not able to comment directly on the web site please confirm receipt of this objection and next steps.

Thanks and regards,

[REDACTED]
