- I Haven't seen the plans, where are they?  
 - The disruption and noise would be unacceptable  
 (as disabled) (as are 3 neighbours!!)  
 - Also because its a cu-de-sac the lorries  
 would continually block the roads.  
 - Importantly, there are a lot of residential  
 units that are used as holiday homes or buy to lets  
 - which destroys communities.  
 - more importantly there is little office space in the  
 vicinity and the local shops are supported by the  
 footfall of many workers.  
 [ I also understand that Triyaga & the business units  
 here, are also to be redeveloped into residential  
 which will remove the bulk of passing traffic for local  
 shops on regents park rd ]  
 - The building is from the 1950's and should be protected
