Please note that I have received a notice for demolition at the property I occupy as tenant Flat C1 18-20 Elsworthy Road NW33DJ and I wish to object to the application based on the fact that I have been an occupant for almost 3 years and the demolition would create a huge inconvenience to me relocating and finding new suitable accomodation.

The cost of moving and the cost of securing new property at the price negotiated with my existing landlord will be very hard to find again which will make it extremely hard for me to find a new home. My existing landlord has not made any provision for relocating the existing tenants which will create a major issue for a number of people occupying the building.

I hope you understand my position and you give some serious consideration to the problem that this demolition will create to all tenants at 18-20 Elsworthy Road NW33DJ.

Kind Regards,

Angelos Sarras
