Dear Sir or Madam,

I am writing to protest against the change of use of 6 Erskine Road NW3.

It would be a serious loss to the community of not just Primrose Hill but the whole of NW3 and surrounding areas if Triyoga was forced out of the area. It is a gentle spot in a frantic city.

The small businesses of the area appear to be under a lot of pressure from high street chains and from development in general. This is evident from the changing face of Regent's Park Road.

Keeping wholesome, modest companies like Triyoga in business alongside newcomers is vital I think to keeping alive a vibrancy that is in danger of being lost.

Faithfully yours,
