Dear Sir/Madam

I am writing to let you know how strongly I feel about keeping Triyoga in Primrose Hill.

I have been attending Triyoga for the past 10 years, and see it as my second home as I practice at least 3 times a week. The thought of it not being there fills with sadness and a loss I am simply unable to put into words. Over the years I have formed close relationships with both the teachers and the students and as my daughters grew up, I have introduced them to this wonderful centre that they have also grown to love.

To close Triyoga will take the heartbeat out of the village and this will have a knock on effect on all the shops, cafes, beauty parlours and restaurants that will suffer as a result of its closure.

I urge you to take on board what my view and to keep this wonderful Yoga center going for years and years to come.

Sincerely
