To whom this may concern,

I wanted to write to you to express my dismay at the thought of Tri Yoga being closed down. Not only is it the best place to practice Yoga and Pilates in the area, it is also a landmark with a sense of community. It would be very upsetting to see this disappear to replace with a residential building. I'm sure I am one of 1000's of people who feels the same and no doubt you will be inundated with letters of a similar nature.

Please don't shut down Tri Yoga, it would be an absolute pity to see this go for the community as a whole.

Kind regards,
Alice
