Dear Camden Council,

Triyoga is an essential and vital part of the community in Primrose Hill and beyond. It has helped me in numerous ways - both mentally, and physically. Why allow the closure of one of London's favourite yoga centres so that more luxury housing can be built in Primrose hill.

Triyoga is an essential part of the community.

Please allow it to keep going, and helping everyone - from babies to grannies to pregnant mums to the community outreach programme.

Kindest regards,
