

Existing Front Elevation (NE)
(No alterations to the existing front elevation are proposed)

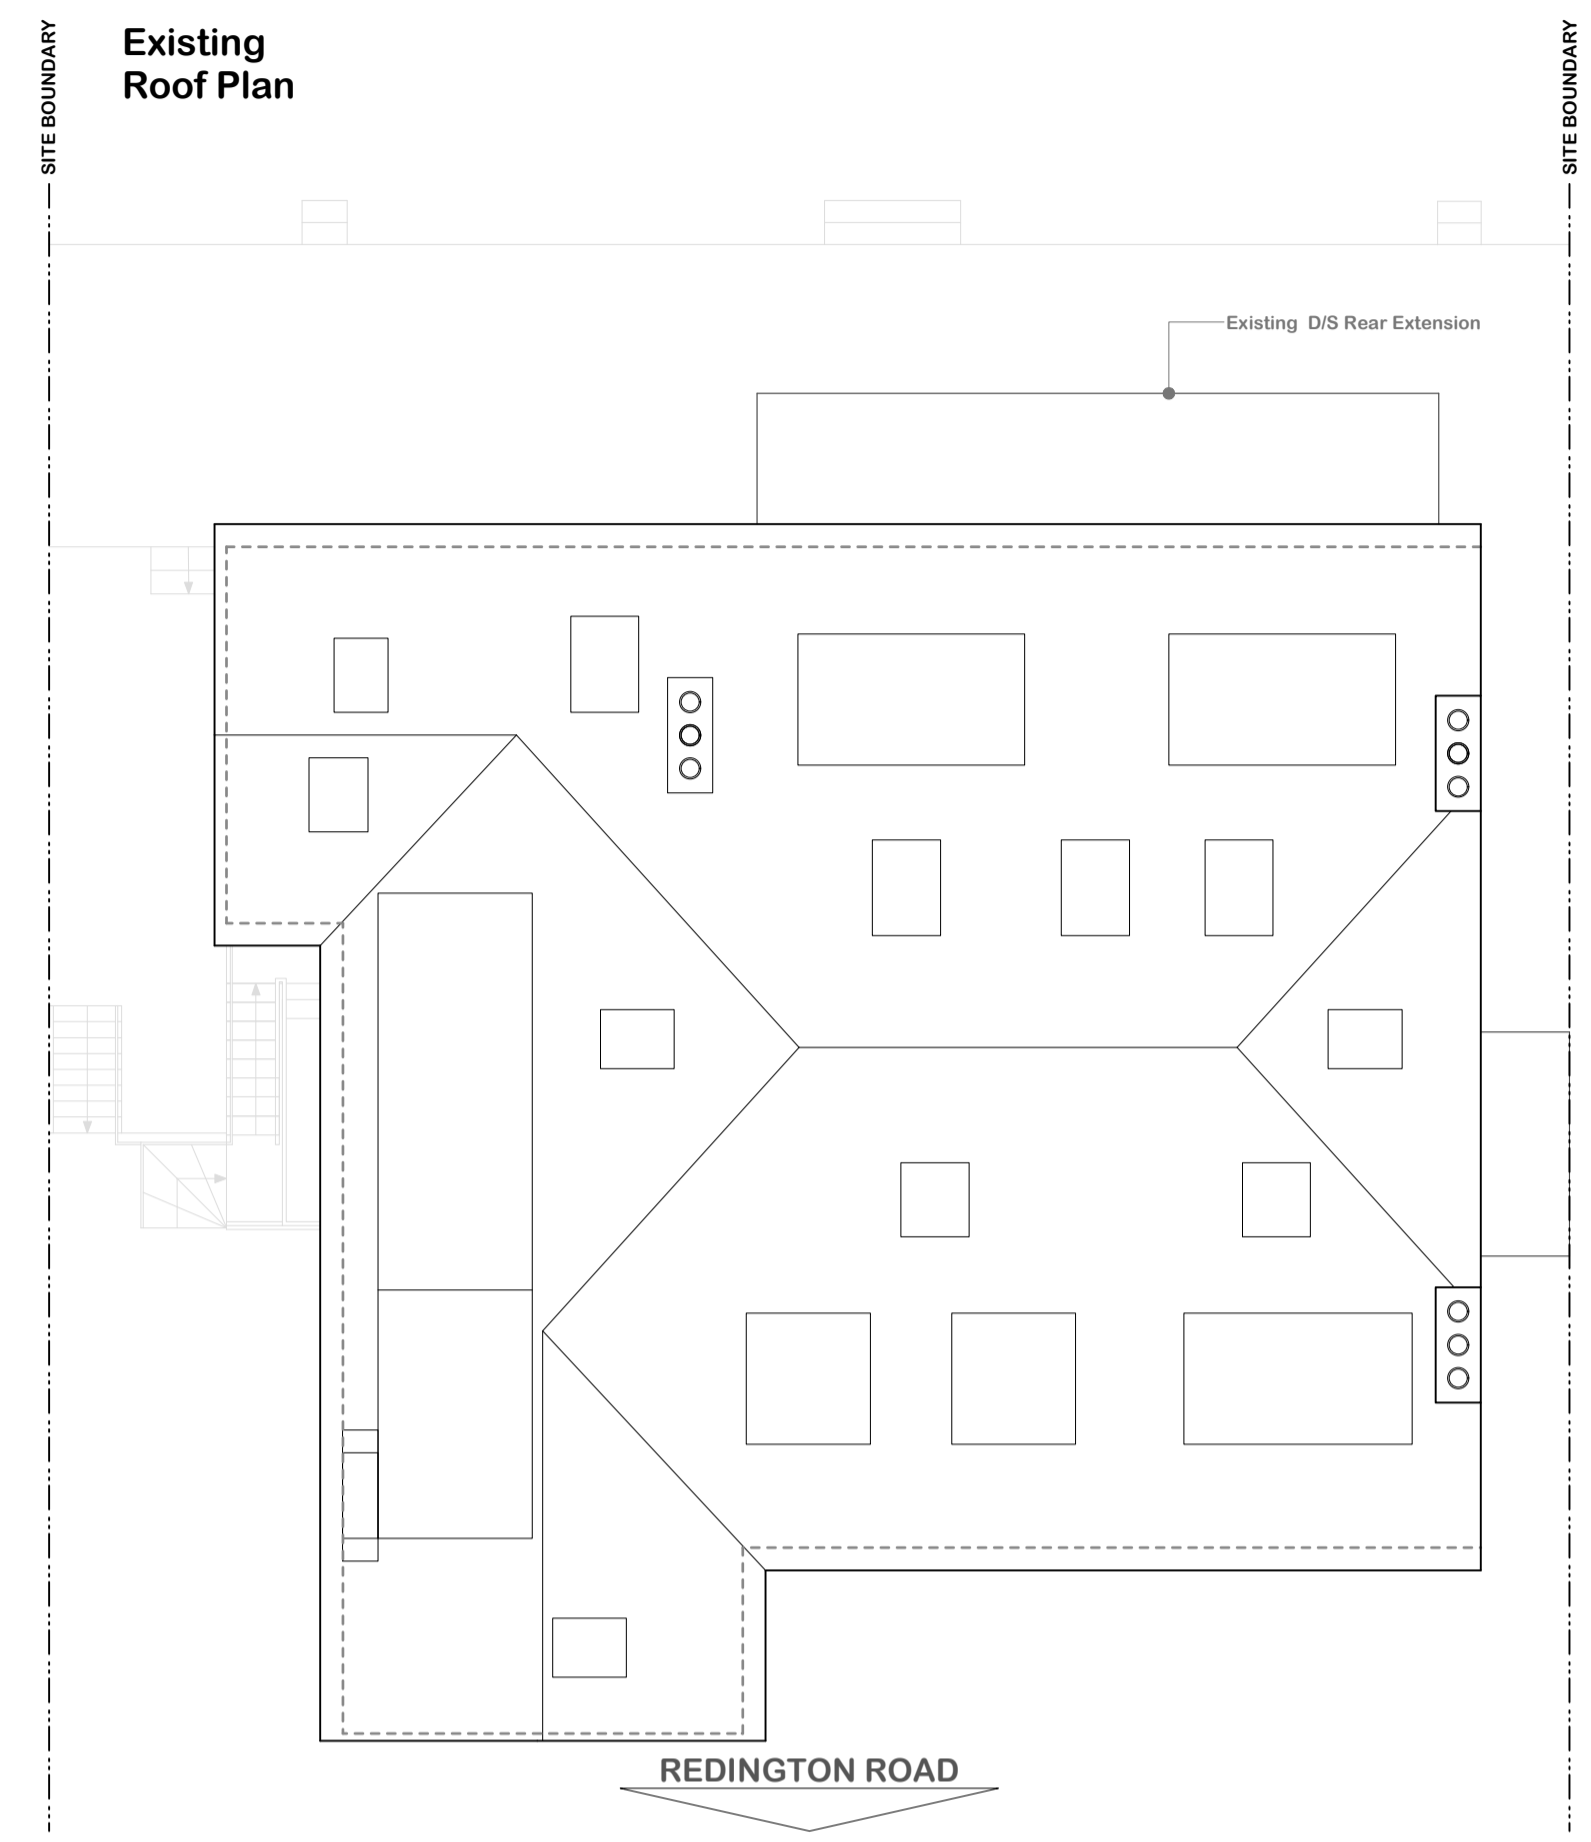

The current proposal for the internal installation of a swimming pool on the lower ground floor is to be implemented together with other alterations which have already been determined to be lawful in two previous LDC applications, namely the "internal floor level alterations at lower ground floor" level (2014/2045/P) and a "single storey rear extension" (2014/2102/P)

No further alterations are proposed to the previously approved external elevations or to the previously approved roof plan.
