Malcolm,

As discussed these applications were approved this morning as the consultation period expired yesterday. I have forwarded your objection on to the applicant and will discuss further conservation colleagues as well. A copy of the delegated report can be found online at the following link (using the planning ref number)

Dear Amanda Peck

Please find attached an objection from the Regent's Canal Conservation Area Committee re demolition of wall in the Triplets enabling works. We apologise this is a day outside your consultation period.
