Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990

### **Advertisement Consent Granted**

Address:

**Bourne Estate  
Portpool Lane  
LONDON**

Proposal:

Temporary display of information hoardings along Baldwins Gardens toward Leather Lane from 09/09/2014 to 03/11/2016.

Drawing Nos: Site Location plan 001; 4 x photos; 200 RevA.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to

- (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
- (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or
- (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The advertisement hereby permitted is for a temporary period only and shall be removed in its entirety on or before 3rd November 2016.

Reason: The type of advert is not such as the Council is prepared to approve, other than for a limited period, in view of its appearance. Its permanent display would be contrary to the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 The proposed temporary advertisement is considered appropriate in terms of size, design and location. The proposal will not impact on neighbours' amenity nor would it be harmful to either pedestrian or vehicular safety.

The Council is unlikely to grant consent for such an advertisement on a permanent basis as this would harm the appearance of the building and streetscene. However, during construction the advertisement would shield unsightly construction works in accordance with guidance in CPG1 - Design.

The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5, CS14 and CS17 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2011; and paragraphs 14 17, 56 -67 of the National Planning Policy Framework

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
