Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Refused and Warning of Enforcement Action to be Taken

Address:
243 Kentish Town Road
London
NW5 2JT

Proposal:
Erection of smoking shelter in rear garden (retrospective).

Drawing Nos: K1-01, K1-02, K1-03, K1-04,

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The subject extension, by reason of its height, bulk, mass, position and external materials / finish, would result in an over dominant and inharmonious addition, detrimental to the character and appearance of the host building and local area, contrary to policy CS14 (Promoting high quality places) of the London Borough of Camden Local Development Framework Core Strategy; and to policy DP24 (Securing high quality design) of the London Borough of Camden Local Development Framework Development Policies.
- 2 The subject extension would introduce a structure liable to result in a significant

increase in intensity of use of the rear garden area, and would fail to provide an equivalent level of noise mitigation. The development would therefore lead to an unacceptable harm to the amenity of surrounding residents, and is contrary to Policies CS5 (Managing the impact of growth and development), DP26 (Managing the impact of development on occupiers and neighbours) and DP28 (Noise and vibration) of the London Borough of Camden Local Development Framework.

Informative(s):
