Dear Ms Miller

Re: Erection of mansard roof to 7-9 Perrins Court, NW3 1QS

The erection of a mansard roof to this building is totally unacceptable. A similar application was turned down some twenty years ago – and so should this be. It will restrict the light onto Perrins Court, affecting the shops, offices, cafes and pedestrians who enjoy the unique Hampstead environment.

The residents of Perrins Court at least deserve the right to retain the status quo.
