Address: 26a Rosecroft Avenue NW3

Description: Additional; window.

Case Officer: Carlos Martin

Date: 30 September 2013

This application is described as window replacement work to this existing house.

In fact it includes the creation of one large new window, as well as other replacements, and from the evidence of neighbours' opinions, has already been started, if not completed by now. This in itself is quite unacceptable, and justifies enforcement action—at least to stop any further work until a valid permission has been granted. We ask you to put this in hand.

In fact the new window—a large one, about 1 x 3 metres, is positioned in the side elevation of the house, and overlooks adjoining properties in Platts Lane. Loss of privacy will occur.
