**PLANNING APPLICATION 2013/3554/P**

I may be mistaken, but during the twenty-eight years that I have been resident in Yale Court I do not believe maintenance has been carried out on the surface of the steps to the front of the block. In consequence they are uneven and descending them is particularly dangerous in icy conditions. For this reason, as well as the demands of the 2004 Act, I strongly support the proposal and hope that the entrance to flats 31-48 can be made as safe as the entrances to other parts of the block. The handrails installed should be in keeping with those fitted elsewhere along this side of the road.
