I object to the planning proposals on the basis of it exacerbating an already intolerable situation affecting residential dwellings within the proximity, including.

- 1) people urinating virtually on a daily basis against the wall of our building after leaving drinking establishments
- 2) rubbish from commercial premises being heaped outside the premises, often spilling out of inappropriate bags & encouraging passersby to add litter on top.
- 3) loud & rowdy behaviour by clientele departing from drinking establishments in the evening.

We would have objected to ~~retail~~ ~~development~~ ~~previously~~ had we known the impact on refuge, litter, noise & urination it would cause. Noise is also affected by the intolerable number of refuge trucks visiting Baldwin Gardens and delivery trucks at all times of the night & morning.
