Status of Drawing
This drawing is provided on the express understanding that, where costs for works have not been provided by the contractor/client, or where design input is required but not available at the time of production of this information, that the information on the drawing may be subject to change as a result. Areas may be marked 'IN ABEYANCE' where change is expected or information not known.

Planning and Other Approvals
This drawing is provided on the express understanding that, where planning and other approvals are yet to be established, that this is a risk that is to be borne by the party using the information contained on the drawing. Where approvals are not in place then these will be noted on the drawings. If in doubt ask the Project Manager.

Dimensions and Setting Out
Do not scale from this drawing. All dimensions should be checked on site for accuracy. Where dimensions are not indicated, unclear or at variance with other project drawings then please contact the Project Manager/Architect prior to manufacture or construction.

Health and Safety
The drawing contains a 'SHE (Risk) box' that provides a list of potential hazards to be considered during the construction of the works. This does not purport to be exclusive or to relieve the contractor of its duties under the current pertinent legislation.

Structural Work
All indications as to structure are for graphic purposes only and must not be relied upon for accuracy in terms of size, detail or position. All structure and temporary propping to be confirmed by a suitably qualified structural engineer before beginning works.

M&E Work
All services to be confirmed.
