Dear Sir/Madam

I am writing to you to express our concern regarding the proposed building of a two storey extension at 127 Fortess Road, NW5 2HR. We feel that considering that our back garden area at 21C Oakford Road, is already quite exposed and lacks sufficient tree coverage, the extension proposed would greatly affect our privacy as well as create a problem with noise nuisance for all residents. Furthermore the size of this particular extension is much bigger than other neighbouring extensions bringing the building far too close to our property. Therefore we strongly object to this proposal.

Kind Regards,
Adriana Muriel.
