Dear Sir/Madam.

Re: Planning application REF: 2013/5164/P

I write to you to strongly object to the proposed two storey extension of 127 Fortress Road, NW5 2HR. My main concern is with regard to the horizontal extension which will encroach a further 5 metres towards the garden area to the rear of my property, 21B Oakford Road.

This area is currently exposed & devoid of tree coverage meaning the extension would directly over look my garden and the building would be considerably closer to my property; this would undoubtedly lead to an increase in noise on an ongoing basis once occupied.

As the proposal would include a balcony, the extension would not be fully contained and therefore I am sure privacy & security to my and the adjacent property, 19 Oakford Road , would also be compromised.

I look forward to confirmation of receipt of this email and your subsequent correspondence on this matter.

Kind Regards.

Tom.
