

Dear Mr Fowler,

Application ref: 2013/5014/P
dated 22nd August 2013

Further to the planning application for the proposed work at

4 A, Glenmore Road

London NW3 4DB

"Erection of single storey rear extension along with rooflight at ground floor level
To residential flat."

Our COMMENTS are as follows:

- 1: Would there be any effect to the fabric of the building? We, as Freeholders are responsible to safeguard of the building.
- 2: We need to know legal aspect to protect in case of the damage to the building and the cost of repairing it.
- 3: We need clarification if the rear extension obscure the view from our windows just above and hinder the light from outside.

Yours sincerely

Syed HA Hashmi
