Detailed description: This architectural site plan illustrates the exterior and internal layout of a restaurant located at 15 Warren Street. The plan is bounded by 159 Whitfield Street to the west, 161 Whitfield Street to the south, and Warren Street to the east. The main building footprint is hatched and labeled '15 WARREN STREET'. Inside this footprint, a large area is labeled 'INSIDE RESTAURANT'. To the south of the building, an 'EXTERNAL SEATING AREA' is defined, featuring several diamond-shaped tables and a central square table. An 'ENTRANCE' is marked with an arrow pointing into the seating area from the south. The plan also shows 'EXISTING COLUMN' locations at the corners and an 'EXISTING ESCAPE DOOR (RETAINED)' on the eastern wall. A dashed line indicates the 'EXISTING EXTENT OF FASCIA ABOVE'. A 'KERB LINE' is shown along the southern boundary. A scale bar at the bottom right indicates a length of 1 meter.
