

This architectural elevation drawing shows the facade of a building, likely a restaurant or cafe named 'Delish'. The drawing is divided into two main horizontal sections: the upper floor and the ground floor.

Upper Floor: The upper floor features a series of windows. On the left, there are two large, empty rectangular outlines. To their right, there are four windows, each divided into a 3x3 grid of panes. These windows are set within a larger frame that includes a decorative pediment above each. A small, narrow vertical window is located between the second and third grid windows. To the right of the grid windows, there is a vertical sign with the word 'Delish' written in a cursive font. The height of this sign is indicated as 325 units.

Ground Floor: The ground floor features a series of openings. On the left, there is a double door with a decorative pediment above it. To the right of the door, there are three large display windows, each divided into a 3x3 grid of panes. These windows are set within a larger frame that includes a decorative pediment above each. A small, narrow vertical window is located between the second and third grid windows. To the right of the grid windows, there is a vertical sign with the word 'Delish' written in a cursive font. The height of this sign is indicated as 325 units.

Dimensions and Annotations: The drawing includes several dimensions and annotations. The height of the ground floor is indicated as 2855 units. The height of the upper floor is indicated as 325 units. The drawing also includes annotations for the new retractable awning box (closed), the awning fascia to match re-instated painted timber fascia when closed, the re-instated painted timber fascia, and the new retractable awning sliders (arms). A human figure is shown on the right side of the drawing for scale.

Street Names: The drawing is labeled with street names at the bottom: '159 WHITFIELD STREET' on the left, '161 WHITFIELD STREET' in the center, and 'WARREN STREET' on the right.
