Dear Ms. Ryan,

Planning Application Ref. 2013/3998/P

14 Well Road, London NW3 1LH

Proposed work: Erection of 3 storey dwelling (Class C3) following demolition of existing

My wife and I are really distressed to learn that No. 14 Well Road has applied again for planning permission. Most of us in the immediate area were totally against the infill of the garden of No. 21 Well Walk in 1986/7 and there was an enormous amount of ill-feeling at the time, together with a large petition against it.

To send out a planning application in August with a 21 day response time is unfair as so many people are away for the whole of August. An extension of time should be allowed.

When the present building was erected promises were made by the Council that no additional height would ever be allowed.

There were many protests at the time that any permission was given as it was infilling of garden space.

It will take away our privacy. As our Council we look to you to see fair play in our already overcrowded conservation area. Please do not pass this inappropriate application for further planning permission.

We look forward to hearing from you.

Yours sincerely,

Vivien and Nicolas Norton
