You were kind enough to send me a consultation document re

Witanhurst,
41 Highgate West Hill
N6 6LS
Ref 2013/4475/P

I am directly affected by the proposed work to the gatehouse, 

Having read the proposal, I can see no objection to permission being granted.

The existing work to the main house has been carried out with great care and efficiency and minimum disruption to neighbours such as myself.
