Dear Mr Hope,

RE: MY COMMENTS ON PLANNING APPLICATION BY MR JEFFREY SALMON
OF 2 BURLINGTON COURT, N6 6BD

This is my comments on the Planning Application ref. no. 2013/4276/P, dated 10 July 2013, from the Camden Council Regeneration and Planning Development Management, attention of Mr Obote Hope. As I understand written comments from interested parties have to be received by the Council within 21 days of the 10 July 2013, i.e. by the 31 July 2013.

1. I have downloaded copies of architects plans and drawings from the Camden Council website, inc. photographs of Chesterfield House and Burlington Court, and my comments are as follows:
2. In principle, I have no objection to the proposed works by Mr Salmon, since my first-floor flat 4 Chesterfield House (being a shared freehold with 12 flats owners) shares the use of the back yard with all other residents/owners, including the bins for waste collection by Camden Council. My flat is some 30 metres further to the west of flats 2 and 4 Burlington Court, and I have no direct line of sight.
3. There is no drawing of the proposed roof light on the roof/terrace, however, this fact would not change my comments, since, as far as I know, this part, joining the two buildings on the ground level plan, was purchased by Mr Salmon some time ago, from the previous freeholders Roundpoll, and is therefore not part of "common parts".

Yours sincerely
