

Planning application number... *to App Ref 2013/3953/T*

Planning application address... *Associated Ref 2012 5968*

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

*By erection of first, second and roof level  
the privacy of 221 - it won't be privacy;  
The sun is going to be blocked It won't be any  
light; Noise would be disturbing.  
There is no water on that property. They would  
be digging the street. Additional noise.*
