COMMENT

The side flank wall has become too peppered with windows, some of which are narrow and vertical and do not align with others.

Consideration might be given to making these windows more like the existing ones under the eaves, which have a more horizontal proportion to take sashes.

Name (block capitals only - no signatures please)

If you would like to discuss this in more detail, please telephone Sam Fowler of West Area Team on 020 7974 2053.
