Dear Sir/Madam

DRAFT
FOR INFORMATION ONLY - THIS IS NOT A FORMAL DECISION
Town and Country Planning Act 1990 (as amended)**DECISION SUBJECT TO A SECTION 106 LEGAL AGREEMENT**Address:
10 Fitzroy Mews

W1T 6DL

Proposal:

DECISION
Change of use from a live/work unit to a single family dwelling house (class C3)
Drawing Nos: Site location plan, LA07 Rev A x2 - Existing and proposed ground, first and second floor plans; Design and access statement; Justification for loss of a live/work unit

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Informative(s):

DRAFT

- 1 Your proposals may be subject to the use of the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Reasons for granting permission.

The proposed change of use from a live/work unit to a residential dwelling is supported. The workspace approved for the application site measures 4.5m² and the existing empty room space is not considered to be large or flexible enough to accommodate the range of different uses within class B1 and therefore its loss is not considered to be a significant concern for the economic viability of the area. The use of the property as a B1 residential unit would not prevent occupiers from working from home as long as this was an ancillary function to the residential use. As no external changes are proposed, the development would not harm the amenity of any adjoining residential occupiers in terms of noise, loss of light, outlook, enclosure or privacy.

The change of use in this location is not considered harmful to the character or appearance of the host building, street scene or the Fitzroy Square Conservation Area because no external works are proposed.

One letter of support was received. No objections have been received. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

Considerable importance and weight has been attached to the harm and special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposed development is in general accordance with policies CS5, CS6, CS8, CS11, CS14, and CS19 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP2, DP6, DP13, DP18, DP19, DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 3.3 and 3.5 of the London Plan 2011; and paragraphs 14, 17, 56 -66 and 126-141 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully
