**Subject:** Sandwich Street Residents' Association Objection to Planning Application 2013/1598/P

Dear Mr McEllistrum

Please find attached an objection to the planning application for redevelopment of student halls of residence at Cartwright Gardens (Application 2013/1598/P) submitted on behalf of the Sandwich Street Residents' Association. This objection is supported by an analysis by Anstey Horne of the submitted Daylight, Sunlight and Overshadowing Report produced by GIA.

The Association would request that they are given the opportunity to address the committee when the application is reported for decision.

Regards
