

Dear Sir/Madam,

I am writing to you to make a comment on relation to the planning application referenced above.

 I am in total support for the application. I believe that the ground floor extension, the installation of the balustrade, and the replacement of a window by a door on the first floor level of the rear elevation of the property will contribute immensely to the looks of this section of Swains Lane, not to mention the benefit it will bring  The property looks lovely and will certainly revamp the whole block. I look forward to making a similar application myself in the future.

Thank you for your attention.
Best regards,

Magnus C. De Macedo
