Dear Sir/Madam,

Application No:	2013/2874/A
-----------------	-------------

Cocoro
25 Coptic Street
London W1A 1NT

Dear Sir/Madam

We wish to object to this application for advertisement consent for,

Installation of 1x externally illuminated projection sign, 1x externally illuminated fascia and 1x externally illuminated awning.

as we believe it contravenes policy guidelines for signs within a conservation area which do not allow for illuminated signs outside a restaurant.

Please note that this has already been enforced in similar cases, as recently with, The New China restaurant on Bloomsbury Way and the signage to Ackroyd estate agents on Bury Place.

Please can you acknowledge receipt of this letter. Thank you.

Yours faithfully,

Helen Mc Murray

Secretary, South Bloomsbury Tenants' and Residents' Assoc.
