Dear Miheer Mohta

Twyman House
31-39 Camden Road
London NW1 9RL
Application reference: 2013/2630/P

I am writing to support Alasdair Hawkyard in his concern at the proposals which will alter aspects of the original plans for Twyman House, as agreed by the London Borough of Camden, by means of additional balconies, the addition of a roof terrace and lighting. The additional balconies are surely not required as there will be balconies on the sunny side of the canal and they will reduce the aesthetic of the inner courtyard. The addition of a roof terrace runs completely contrary to the concerns repeatedly expressed by the THCMPWG and the lighting proposals were not discussed by the THCMPWG before submission to the Council.

It is the duty of the Council to ensure that Taylor Wimpey keep to the proposals as originally stated.

Yours sincerely,
