3. Description of Proposed Works

Please describe the proposed works:

The gate entrance to our off-street parking at the back of our garden (on Evangelist Road) is being moved 1.5 metres further south along Evangelist Road and the kerb drop is moving the same distance.
There is no planned height change to walls.
Use of materials will be in keeping with existing materials ie. reclaimed stick bricks.
The parking bays on either side have been measured along Evangelist Road and there will be no loss in number of parking bays and there will be an increase in parking space.
We have had correspondence with Steve Cardno from Transport and, after measuring the parking bays, he thought it would not be a problem moving the kerb drop and to go ahead with our formal proposal.
