Dear Sir/Madam,

Ref: 2013/2847/T

I write regarding the above planning application for the removal of a Holm oak.

I would like to register my objection to these works. I have lived [REDACTED] the property where the tree is situated, since 1987 and regard the tree with fondness. It is a part of my history, as it is for all the tenants in the blocks 104 - 110 Haverstock Hill, many of whom have been residents for even longer than I have.

Although I can obviously see there is an issue with the nearby wall, I believe there must be a less drastic solution than complete removal of such a fine specimen.

I hope you will consider my request favourably.

Yours Sincerely,

Seiwa Cunningham
