For the attention of Carlos Martin.

Dear Carlos,

We are writing on behalf of the Camden Town CAAC.

We do not object to the design of the proposed fascia, doors or illuminated sign. However, we do not think that the fascia should run across two different and very distinct building types. It would be far better if the fascia could end at the northern division of No 211.

Yours sincerely,

Gordon Macqueen & Margaret Richardson, Co-Chairs of the Camden Town CAAC,
