Re: Application Reference 2013/2715/P

Concerning the request for permission to demolish an existing garage to create outdoor parking space at No. 3 The Mount NW3 6SZ

26 May 2013

Dear Mr. Miller,

I am opposed to the proposed demolition of a garage at 3 The Mount NW3 6SZ. I am a long time resident of Holly Mount on to which the proposed demolition backs. What the owner is proposing would amount to an elevated car park in the middle of a residential conservation area.

Holly Mount is a significant, historical part of London and its character, as such, must be preserved and protected.

The proposal is for the benefit of one and to the detriment of all.

That is why I vehemently oppose the plans as presented.

Thank you for your kind consideration,

Linda Albin
