Dear Miheer Mehta

Various notices about the four applications recently submitted by Taylor Wimpey have been issued over two weeks from 8 May 2013.

I and my neighbours in the vicinity of the Twyman House development understand that we have three weeks from the last date, that is 22 May, to submit any observations to LBC for consideration.

This means that the area has until 12 June to send any letters or e-mails to your office.

Regards,

Alasdair Hawkyard
