

Dear Mr McEllistrum

As one of the constituent colleges of the University of London and a member of the Bloomsbury Group of Colleges, I am writing to you today to lodge with you our support for the University's Planning Application to redevelop the halls of residence site in Cartwright Gardens.

The University is well aware of the various issues associated with this development and, prior to submitting the formal planning application, have ensured that true public consultation has taken place, including the public meeting held under the auspices of the Council's Development Management Forum and in its plans, the University seeks to allay concerns over environmental impact, levels of noise, security and traffic etc.

A successful application will provide the much needed improvement to the University's student accommodation facilities and therefore we would be grateful if you would record our support for this development as part of your consideration of the University's Planning Application.

Yours sincerely,

Elaine Acaster
Vice Principal (Strategy and Governance)
