Dear Mr McDonald,

102 Camley Street, London N1C 4PF – Planning Reference 2014/4381/P

We write as the former occupiers of 102 Camley Street in support of the planning application for the mixed use development at the site, noting that this includes replication of employment space, improved cycle and pedestrian links to the Regents Canal towpath and housing including on-site affordable housing. We feel this is an excellent combination which would benefit the area.

Marigold Health Food's business was in the process of expanding, taking on the supply of an increasing number of large retailers such as Whole Foods. This resulted in our existing warehouse space at 102 Camley Street becoming incapable of supporting ongoing business.

For this reason we have relocated from 102 Camley Street to Unit 2 White Hart Works in White Hart Lane, moving from approximately 10,000 sq ft to a larger, new, purpose-built warehouse unit of 27,000 sq ft. In doing so we have been able to expand and employ the extra staff that were needed.

Yours sincerely,

Patrick Tobin
