Subject: Cartwright Gardens Student Halls redevelopment applications: 2013/1598/P & 2013/1787/C

Dear Richard,

We would like to object to the above application due to its excessive bulk, and the fact that it would detract from this part of the Bloomsbury Conservation Area. The new building is nine floors high which is five floors more than the Listed buildings on the other side of the crescent, and there is no compensation for this such as demolishing the unfortunate sixties tower block on the site.

Yours Sincerely,

Bill & Katie Reed.
