Associated ref(s):

Date of consultation: 22 March 2013

Proposal: Erection of a mansard roof extension with 2x front and 1x side dormer windows with roof light, rear extension at part third floor level with balustrade & terrace facing onto Goodge Place, replacement of windows on front elevation from first to third floor level, replacement of windows/doors on Goodge Place elevation all in connection with change of use of first to third floor from 1 x 3-bedroom residential flat to 1 x 2 -bedroom maisonette and 2 x 1-bedroom self contained flats (Class C3).

I am afraid we object to the mansard given that it would appear that the building has an original butterfly roof as do the other buildings adjacent on Goodge Place
