**COMMENTS on 1 Millfield Place N6 6JP PLANNING APPLICATION 2013/1550/P**

1. This is a conservation area and aesthetic aspects need to be taken into account. The larger glazing being introduced in the new western extension go against the spirit and unity of the house and the unified glazing used throughout the rest of the house.
2. The question of basement excavation is not specifically dealt with and should be in view of the catastrophic effect it would have on this water-laden area of Highgate hill and its aquifers and waterways, and consequently the effect on our house's foundations and those of the Terrace lying south and below No. 1 Millfield Place ( vividly described in comments on the previous applications made for this rebuilding. See letters of June 14<sup>th</sup>, 2010 and Feb. 2<sup>nd</sup>, 2011.).

I enclose a letter that goes into more detail concerning our various objections.
