Dear Mr. Truair

Planning Application 2012/0976/P: The Hospital Group

I object to the hours of loading and unloading by vehicles parked in the proposed lay-by. The hours should be limited to 08:00 to 18.30 and not the proposed 08:00 to 20:00 hours. This area is very short of resident's parking bays so the availability of this parking space at the usual time lay-bys become parking spaces fills a big need.

I also object to the unauthorised hours of the service road, that is, the added 5 hours on Saturdays extending the authorised hours of 09:00 – 13:00 to 09:00 - 18:00 and the new hours on Sundays of 10:00 – 14:00 hours. There is no provision of Sunday hours in the Section 106 Agreement. These extended hours are not the subject of a planning application approved by the Development Control Sub-Committee. These extended hours should be investigated.

Yours truly
