Planning application number... 2013/2042/P .....

Planning application address... 55A Crediton Hill .....

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

We do not have a strong view regarding the above application but we feel that a cabrio balcony would affect the symmetry of the building.

We would also like some assurance that the lights will be of a standard size

Please continue on extra sheets if you wish
