Planning application number..... 2013/1577/P

Planning application address..... 14 LADY MARGARET ROAD

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

I am concerned that the above planning application will cause considerable noise ^{nuisance} ~~pollution~~ if the inhabitants are not considerate to their neighbours. This proposed roof terrace will overlook the back of my property and affect my privacy but the noise is my greatest concern as I have two small children whose bedrooms are at the back of my property and get bed early.
