There are no flats in Elizabeth Mews. The flats are over the shops in ~~England~~ Englands Lane and access to them is via the Mews. I do not object to the roof extension to the flat described as being at 25A Elizabeth Mews, but where is the work to be carried out? I do not want the front of my house turned into a builders yard; NOT do I want the flat roof of my house used as a storage point for building materials as some people have tried to do in the past. I hope my concerns will be considered.
