Dear Sir

106 Greenhill
Planning Application 2013/1119/P - 92 Fitzjohn's Avenue NW3

We are formally objecting to this application as a Leaseholder of Greenhill NW3 on the grounds that this proposed development will tower over us and significantly affect the view of numerous residents of Greenhill flats and will affect our use and enjoyment of leisure areas to the rear of the block (see photomontage).

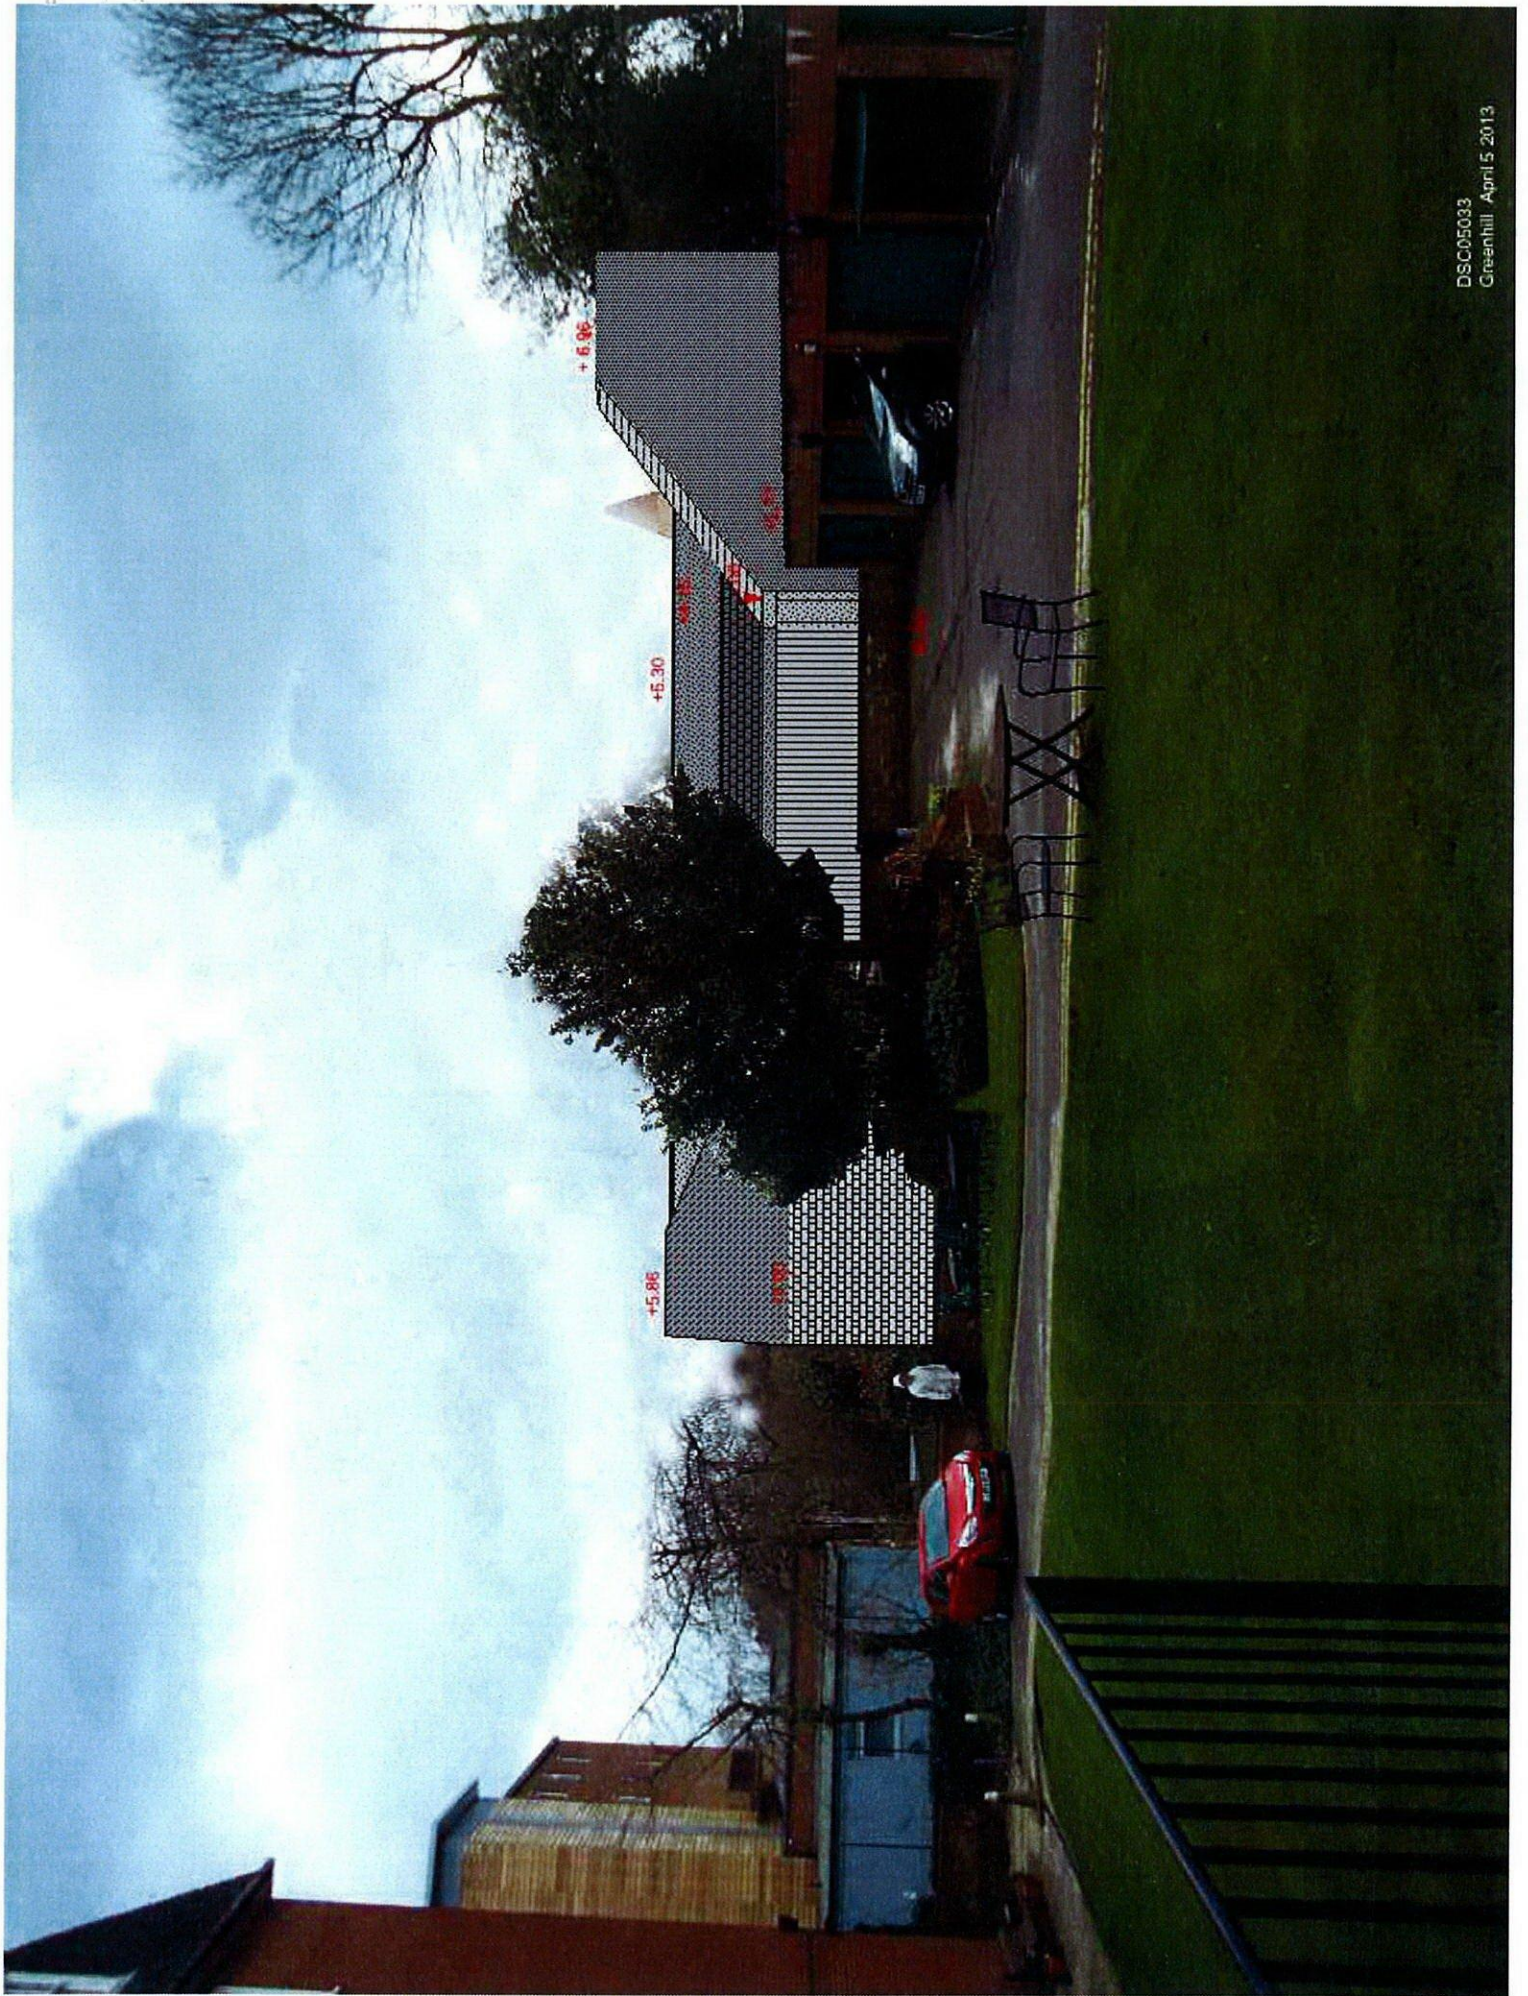

Yours faithfully

Dear Mr Tulloch

[REDACTED]

I am very concerned about the proposed development to which I wish to lodge my formal objection on the grounds that

- (a) It will restrict the view from my flat
 - (b) It will limit my use of the leisure areas to the rear of the block
 - (c) It will ruin an existing green space with beautiful trees which is at a premium in london.
- I would be grateful if you could acknowledge receipt of this email.

Yours sincerely

Barbara Levy
