| Are you proposing to connect to the existing drainage sy  | stem? • Yes (                       | No 🔿 Unknown                              |   |  |  |  |  |
| If Yes, please include the details of the existing system on  | the application drawings and stat   | te references for the plan(s)/drawing(s): |   |  |  |  |  |
| see drawings  |                                     |   |   |  |  |  |  |
| 12. Assessment of Flood Risk  |                                     |   |   |  |  |  |  |
| Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.)   |                                     |   |   |  |  |  |  |
| If Yes, you will need to submit an appropriate flood risk as  | ssessment to consider the risk to t | he proposed site.                         |   |  |  |  |  |
| Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?  |                                     |   |   |  |  |  |  |
| Will the proposal increase the flood risk elsewhere? O Yes O No   |                                     |   |   |  |  |  |  |
| How will surface water be disposed of?  |                                     |   |   |  |  |  |  |
| Sustainable drainage system   |                                     |   |   |  |  |  |  |
| Soakaway Existing watercourse   |                                     |   |   |  |  |  |  |
| 13. Biodiversity and Geological Conservation  |                                     |   |   |  |  |  |  |
| 13. BIODIVERSITY and Geological Conservation To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals. |                                     |   |   |  |  |  |  |
| Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:   |                                     |   |   |  |  |  |  |
| a) Protected and priority species   |                                     |   |   |  |  |  |  |
| Yes, on the development site       Yes, on land adjacent to or near the proposed development       Image: Constraint of the proposed development  |                                     |   |   |  |  |  |  |
| b) Designated sites, important habitats or other biodiversity features  |                                     |   |   |  |  |  |  |
| Yes, on the development site     Yes, on land adjacent to or near the proposed development <ul> <li>No</li> </ul>   |                                     |   |   |  |  |  |  |
| c) Features of geological conservation importance   |                                     |   |   |  |  |  |  |
| Yes, on the development site       Yes, on land adjacent to or near the proposed development       No   |                                     |   |   |  |  |  |  |
| 14. Existing Use  |                                     |   |   |  |  |  |  |
| Please describe the current use of the site:  |                                     |   |   |  |  |  |  |
| Residential   |                                     |   |   |  |  |  |  |
| Is the site currently vacant? O Yes O No  |                                     |   |   |  |  |  |  |
| Does the proposal involve any of the following?   |                                     |   |   |  |  |  |  |
| If yes, you will need to submit an appropriate contamination assessment with your application.  |                                     |   |   |  |  |  |  |
| Land where contamination is suspected for all or part of the site?  |                                     |   |   |  |  |  |  |
|   |                                     |   |   |  |  |  |  |
| A proposed use that would be particularly vulnerable to the presence of contamination? O Yes O No   |                                     |   |   |  |  |  |  |

| 15. Trees and Hedges  |   |            |              |                                |                  |   |                         |            |        |   |    |         |
|---|---|------------|--------------|--------------------------------|------------------|---|-------------------------|------------|--------|---|----|---------|
| Are there trees or hedges on the proposed development site? (  Yes  No  |   |            |              |                                |                  |   |                         |            |        |   |    |         |
| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  |   |            |              |                                |                  |   |                         |            |        |   |    |         |
| If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in |   |            |              |                                |                  |   |                         |            |        |   |    |         |
| accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.   |   |            |              |                                |                  |   |                         |            |        |   |    |         |
| 16. Trade Effluent  |   |            |              |                                |                  |   |                         |            |        |   |    |         |
| Does the proposal involve the need to dispose of trade effluents or waste? O Yes O No   |   |            |              |                                |                  |   |                         |            |        |   |    |         |
| 17. Residential Units   |   |            |              |                                |                  |   |                         |            |        |   |    |         |
| Does your proposal include the gain or loss of residential units? <ul> <li>Yes</li> <li>No</li> </ul>   |   |            |              |                                |                  |   |                         |            |        |   |    |         |
